Hello Chitowners!

We have some good news!

Per the State of Illinois reopening plan and the guidelines set forth by the City of Chicago we hope to open our doors in June when we get into the Phase 3 level of the plan.

Phase 3 should allow us to re-open but it limits the amount of people we can have in the facility at any one time. Once we fully understand how that will impact our operations, we will open accordingly.

As soon as this is understood, we will let you know our firm re-open date and how we will operate under the Phase 3 guidelines.

But in the meantime, we wanted to let you know about some of the protocols and measures we are putting in place to ensure you have a clean and safe facility to return to.

OUR 60,000 SQUARE FOOT FACILITY, HAS PLENTY OF ROOM FOR CAMPERS TO SPREAD OUT! SOCIAL DISTANCING GUIDELINES WILL BE FOLLOWED.
In addition, our team is working on modifications to programs and availability of space as needed to stay within these guidelines.

We also wanted to let you know that registration is now open for our summer camps!

Find out more about the camps at: 773.656.828 or info@chitowncamps.com and sign up today on our website www.chitownfutbol.com

New protocols and measures include:

- Hand sanitizer and disinfectant wipe stations conveniently located throughout the facility
- Intensive and more frequent cleaning of the facility with CDC approved disinfectant cleaners
- Limited number of people in the facility at one time, as directed by the government
- Modified facility flow to ensure adequate social distancing.
- Wellness checks of all employees upon arriving at the facility.
- Required Personal Protective Equipment (PPE) for employees.
- Potentially, required PPE for customers (we will follow the government's guidelines in terms of whether masks are mandatory)
- Plexiglass safety shields at our front desks.
- Staff education and training on prevention, in accordance with the CDC guidelines
- Equipment (PPE) for employees
- All Camps/classes and lessons will adhere to CDC and state guidelines

We will make other changes as needed to ensure we are adhering to the Phase 3 social distancing and gathering guidelines set forth by the Governor once those are in place.

Thank you everyone!

On behalf of our sister brands and our amazing team, we miss you all and excited to see you in person in the coming weeks!
